II. Delivery/Access of Licensed Materials to Licensee

Licensor will provide the Licensed Materials to the Licensee through Networked Access or Local Access via an application developed and supported by Innovative Data Systems (IDS). The Licensed Materials will be stored at one or more Licensor locations in digital form accessible by telecommunications links between such locations and authorized networks of Licensee.

III. Fees

(a) **SUBSCRIPTION FEES** – The annual Subscription Fees are determined by CALEA customer type. Licensee shall select one of the following CALEA customer types:

Non-Enrolled Agencies

Organizations currently not enrolled in one of the four CALEA Accreditation Programs. The annual subscription fee is \$900 (payments may be applied to accreditation fees after CALEA Enrollment on a prorated basis determined by CALEA).

Non-Public Safety Academic Institutions

Organizations that primarily serve for the purpose of providing education support and research. Libraries are an example of this customer type. The annual subscription fee is \$200.

Individuals

Persons not associated with a CALEA Enrolled, Non-Enrolled or Non-Public Safety Academic Institution. Individuals are not eligible for site licenses. The annual subscription fee is \$80.

CALEA reserves the right to change a Licensee's customer type at any time during the duration of Agreement.

(b) **BILLING** - Licensee shall be billed annually, in advance, at rates set forth by CALEA on an invoice. Payment shall be due and payable upon receipt of the invoice. Accounts not paid in full within 30 days of the invoice date shall be considered delinquent and may result in a disruption of licensed materials access. NOTE: This disruption will impact the functionality of the IDS PowerDMS Standards software for those entities subscribing to that service.

(c) **BILLING ENTITY** - CALEA shall serve as the billing entity and, with exception of CALEA Enrolled Agencies, all invoices associated with this agreement are separate and apart from other services provided by CALEA, including but not limited to accreditation services, other software services, conference services, and other products.

IV. CALEA Commitment to Customer Service

In order to support its customers and maintain contemporary publications, and to leverage technology, CALEA may periodically make changes to the content, design and delivery of its Publications and Services. This includes the updating of standards and the respective manuals.

CALEA will make reasonable efforts to notify Licensee of changes when they are material through corporate website notices, but in any case Licensee continued use of the Subscription Services shall constitute Licensee assent to this Agreement as it is then in effect. If Licensor changes this Agreement, Licensor will make notification through electronic transmittal, and the changes will become immediately effective. Accordingly, Licensee should visit the Site periodically to review the then-current services.

V. Authorized Use of Licensed Materials

(a) Authorized Users - Authorized Users are Persons Affiliated with Licensee directly or through a subscribing entity in which they are employed or directly affiliated for a specific purpose that supports the entity's mission. This may include full or part-time employees of the subscribing entity. A licensee may not share access to the publications with other entities or affiliates of other entities, or other individuals. This includes the sharing of access among public safety organizations.

(b) Authorized Uses. Licensee and Authorized Users may make all use of the Licensed Materials as is consistent with the Fair Use Provisions of United States and international law. Nothing in this Agreement is intended to limit in any way whatsoever Licensee's or any Authorized User's rights under the Fair Use provisions of United States or international law to use the Licensed Materials.
